Supervisor's Message

This season the Fallbrook Community Center will host several events, including the Halloween Festival, Official Tree Lighting, and Breakfast with Santa. These annual events are staples in the community, free for everyone to attend, and bring the community together in a positive way. We would like to thank all the local organizations in town for their continued support and contributions, which make these events a success and accessible to everyone. We would not be able to do any of this without you! In addition, we will continue to provide a variety of health and wellness, special interest, and enrichment programs that contribute to healthier and happier lifestyles.

No matter what your goals or interests are this season, we look forward to serving you!
